BHERMAN'S WORM LOZENGES, PROVED in more than 400,000 cases to be infallible: the only certain Worm de-stroying Medicine ever discavered. Many diseases arise from worms and occusion long and intense suffering and even death, without their ever being suspected; grown persons are very often afflicted with them and doctored for various complaints, without any benefit; when one dose of these Lozenges would spee-

GIVE immediate relief in nervous or sick a dos; and with team and entreaties that he throat, &c. &c. For sale by the agent, at KEELER's cheap cash store, Columbus, March 9th, 1943.

MODE A TUTES A DOCTOR 1.02 ENGINEER Solution and solution

THESE superlative family medicines have a long since acquired an established reputation for direct and invariable efficacy in all the prevalent and ordinary discovers, as well as in many others of a peculiar and aggravated character. Their virtues are proved by the soluntary testimonials of the persons they lave cured, and who accompany their certificates with their names and places of residence.—

These certificates now amount to thomsands, which diffused a mysterious glummer around. Three certificates now amount to thousands, being hundreds to each particular kind of discars. They embrace cases of Scrofels, Piles, Dyspepsia, Januaics, Billious and Liver affections, state and choosis Rhenmatum, Asthesicions, state and choosis Rhenmatum, Asthesicions and Ch Stomach and Boset complaints of an amount of the state, and strong delitty-stage rice alsester, and the clouded, rollow, under the absorption of the skin, arising from value of the skin, ari and inseard feer, night aweats and general "Another strange concidence!" exclaimed weakness and less of appetite, the mamos, axes. Hubert; "I too, have a sum as relicitable am ten faces and guines, affections of the bisider, armod with a like tempdation. The black knight has and his laugh cidental in females, together with many other was echood by a thousand mocking noises, moladies while cannot be here numerated.

The certificates of cure in all these discusses tween the to es, and crossed to or path.

'Holy Virgin, eave us I' exclaimed Hubert explicit in description, and coming as they do crossing himself. e every case from the persons cared, they are in very case that the person that a condition the mediane should therefore be kept by every family and grown person in the Huise, as they will be found to be not only the heat.

I do not fear them an energed Hubert, stouthern an energed Hubert, stouthern an energy like the mediane. remedies for disease, but also its most certain by; but he securificless drew the rehe from purematives, and the surest remeators of his hotom, and pressed it devoutly to his lip sound, chaerful and clastic health. They are casion even the temporary prostration and the carbunels, and found them precisely distributed and the carbunels, and found them precisely distributed and the carbunels. d satis purg a and the use of caland. As these words were spo-lem the black knight dashed his appresinto his borse, from whose osstriks issued volumes of flame and smoke, and plunged into the thick, covert of the forest, while all around rang with should will see the constitute to making

THE THREE TRIACK FOREST. | shoot out; the red light which had accusionally a LEGEND OF THE STACK FOREST. | glasned in the direction of the good, smil the se, died away; the ones and abricks were

He had ridden, parchance another mile, when a voice plainly in distress broke upon his cure. Supiteous were the tones that he rustantly dismounted; and leading his horse, forced his way through the the leat. He had not proceeded far, before he came to un ours space, there, bound to a tree he discribed a sene ermine proclaimed hind an eclement of the tighest order; near him was a mile, also tied to a tree, and a dead body, apparently that of a man-at-arms. Jying with its face downward. "Oh! my soo, help t belp, and pity!" cried the old extra tree.

"Haly father, whence this plight ? how may "Hally father, whereve this plight; now may I assist you?" cried Hubert, unboding him.
"My son, I san the Arche shop of Gologne, and have been grievously beaten and wounded by robusts or evil beings, I know not which Journeying through this forest to visit the Bishop of Salzburgh, with four rearrances, and two simular moins, i was attached as I have described, and should have perished, but for your assistances. This body on the ground he fore you is one of my failowers; the others field the replacement of the state and all Their convenient form also realers them problems in use.

Their convenient form also realers them problems in use.

Well said any four thou wast ever a brave youth. Follow me to my chamicr, and the Bishop in find powers, without troughle or hardenes from business. In short, in was when the young knight mude the of speci, they may well be pronounced the MOST VALUABLE MEDICINE EVER MADE.

For remember, that while they are convenient in form and pleasant in teste, they are some inguitions or impound of the most approach emiliant in the first of procure a medicine line; they may will take, and not dose them with management large with a most comparison. He was a sealed packet; deliver it with firme own hand, to our notifier, the receive his full instructions. And the Bishop said—"Here is a sealed packet; deliver it with thim own hand, to our notifier, the receive his full instructions. And the Bishop said—"Here is a sealed packet; deliver it with the camp of the great Duke, where you will find protection, with a more own point in the season of the great Duke, where you will find protection, and bessed by their will ask and not dose them with management season not longer them with management them will be season not do the true times forgot, and blessed by his boliness the Pope. Build it round thy need and thank the asims for my deliverance. So not to their great places, these Lorenges Will, CURE, and many have been cured by them who had been given up as past all hope.

ANDER OF COLUMN LORUNDES.

I have the very fragment of the true cross, al-luded to by your grace, which has been confi-ded to me by the Bishop of Palaburg,"

"That were better than alt," cried the Arch-bishop. "Lend it me, my son, that I may prof-lt by its virtue,"

It by its virtue,"

"Here is the refic, most boly Archbishop,"
replied Hubert, "but I may not part with it,
I will hold it is my hand, while you pany,"
Scarcely had the Archbishop put knee to
ground, when seeing Huberts attention for the
moment distracted, he aprang up, and seized
the relic, attempted to take possession of it; but again afubert's good fortune prevailed, and enabled him to overthrow the deceiver, who uttering a pieroing strick, which was unswered by the name yells and cries as had before ed by the mame yells and cross as has before been heard, fell to the ground, and changed in-stantly into a corpse, his robus becoming the leath-sense habiliment of the grave, his goodly person being a countenance, and venerable white hairs, a mass of corruption. Hubert started in hor or; then turned to the body of the pretended retainer, and saw that it had al-

so became a skeleton, while the mule, which had been fistened to a tree, had vanished. Congratulating himself on his second escape Hubert again kaued the rel c, and having resined the path, proceeded on his journey. He met with no further adventure, until he ne had well-nigh gained the outskirts of the lorest, when he heard fearful shricks behind

him, and his name called forth in well known accents. Turning, he saw his persent Linia flying wildly after him, her hair unbound, her rotes locse and disordered, pursued by a whole the slowe and disordered pursued by a whole set of evil brings.

"Un. Hubert! save me—save me !" she lad no power.

"Lilla, dearest! what do you here!" cried to have knocked him down and robbed him, if host of evil beings.

shricked.

"Lills, dearest! what do you here!" eried "Lilla, dearest! what do you here!" cried Hubert, eatching her round the waist, and scating her before him on his stoed. "Do not trembie, Lella, you are safe now. But in the mane of wooder, how came you has."

"I know not, she cried faintly." "Yas dragged from my chamber by dumons. But spur on your steed, or we shall be taken."

"Fear not," replied Hubert. "Cling clere y and we shall soon be safe. The demons are already giving no the chase. They lear the relie—ha! ha!"

ections, made and chrome Recumeration. Asiasee, "replied Hubert.

but the payment of all borde. As for mo, i seam to goest sorter in the middle; poy the Planters and blow up the Union bonds.

Freeman. We must establish a go-between press, and put all kinds of hits of poetry in it. I tell you there is natisling like poetry in a dog fight.

Father Matthews. Gentlemus I will do any thing you say, but may opinion is that universal repudiation will carry the day. The goest which he had committed on his etherical there is any merit in repudiation. He goes for there is any merit in repudiation. He goes for placing it on the broad ground of the greatest number, instead of technical objections, became when you come it in that way, the people will say the courts friends started over the river, to look for him! hell!

Bocking.—First rate Parson, he, he, he; he is in that way, the people will say the courts must decide.

Bolt you observe, Parson, how I cut the Governor by when I could get a chance. We must onabe a little wing capital, you know, as we go along in this business. I shall say all the time that the Governor has the power, and ought to have exercised it a long time since.

B. That is a happy thought. We can make enough out of this to beat the d—d loco foces. I understand they are going to present make enough out of this to beat the d—d loco foces. I understand they are going to present may be graves and the morning for an injunction to see graves and the morning for an injunction to the graves and the morning for an injunction to see Graves and the morning for an injunction to the grave and the morning for an injunction to any form of the grave and the morning for an injunction to the grave and the morning for an injunction to any form of the grave and the form of the grave and the form of the grave and rading whip.

Can be decide:

Gwa. (aside) If that man Matthews don't had the form, and the form, and altale was the gives and radi abuse Howard.

[Enter Issue McFarrun]

McFarrun. Well gentlement suppose you have heard of the escape of Graves. It is a shocking affair, but what's the use of crying over spilt milk, ha, ha, ha.

Gwm. How are you on the bend question now McFarran 1 am, opposed to taxing the Graves and tast on means to refund it after Graves had run away. He wrote a leave to his wife which we have into controlled with the greecorded all the facts connected with the Graves' affair, and the thoughts we take the gravest and the graves and the graves are gravest as the graves and the graves are gravest as the graves and the graves are gravest as the gravest and the graves

conceracy.

Gwin.—Well, Howard, I see that Hagan ives it to us all in his usual style.

Lloward.—So it seems Doctor.

Gwin.—You are mistaken, Howard, in supporting that I have furnished. Hagan with the seedful.—I never let him have a dollar in my life.

The seems of the seems below the seems left in distress.—From the papers he left, it appears that Graves had promised to let him have gold and silver after his trial was over for all the freezery warrants which Shelton would furnish him with

Tucker—If I ever go to Hagan's dinner again may I be etherially and constitutionally diamned. He not only abuses me in his paper himself, but lets that d—d Jacksen correspondent ridicule me almost to death. I am geting to be downright ashamed of myself. If they pester me much more I'll resign my office, for I am out with the werld and don't care a damn. I heartily wish that Shattack esting are tender and affectionate wite in the agony of despair and madness, deprived of reason and fast falling to the tumb—a most interesting from the foregroup of any creseres innocent doughted the statement of the Jacksen control of the statement of the statemen

design me for Governor, (every body laughs)

Gwin.—You spoke Governor of the Jackis on Correspondent. Who do you suppose is the author of that dialogue in the Seutinol about you and Freeman.

Gov. Tucker.—Why I don't know Doctor without it is the late Associate Editor of that paper, J. S. Fall. I don't know of any one with would think of writing such a document, but him. He don't like me and Freeroan, because we are in favor of the Planter's Dank Bonds. He was the first one to attack me when I are into office. He wrote an article and said that "we were Tyterised." Since that time it appears to me that I have never bad the confidence of my party. I wish I lagan was at the devil, and as to Fall, I wish the Robins had shot him through the heart instead of the thigh.

Howard.—Well one thing must be said of the rest of you, and as to Fall he can bold his own in any crowd; and mark it grottened, these water, or come out like men is favor of unconditional repudiation; ha, ha he, he, ho, ho, a from the Southren.
